Time-Sensitive, Temperature Critical Validated Transportation

PDQ - Transforming the Courier Industry since 1998

PDQ Couriers provides an industry leading service through a range of pioneering, dedicated and secure temperature controlled transport solutions, answering to the complex needs of the pharmaceutical, hazardous, medical and veterinary industries.

PDQ - We listen - we care - we deliver

We work extensively across the public and private sectors, holding contracts with several key NHS foundations and academia, as well as national and multi-national companies, transporting their time-sensitive and temperature-critical consignments, nationally, regionally and worldwide.
